REM International

“Lift up your eyes, and Look on the Fields; ...”

WHO ARE WE?

Rural Evangelism Ministry International (REMI) is an indigenous non denominational cross cultural mission organization started by a missionary couple on March 6th 1985 and incorporated in 1987 as a holistic mission outpost with the goal of training and sending missionaries that will stand the test of time to rural areas. Over the years, REM International has grown and is contributing immensely to the work of missions within and outside Nigeria.

REM International is not a church but partners with churches, other mission agencies, individuals and corporate agencies who share in the passion and burden of reaching the unreached with the gospel of Christ.

"If a commission by an earthly king is considered a honor, how can a commission by the Heavenly King be considered a sacrifice?" — David Livingstone

While you watch!

While you wait for the other brother to go, they die;
Today, while you feel tomorrow is better time to go, they die anyway;
While you present your excuse to stay behind, they sigh;
While you feed sumptuously today, for pain of hunger, they sigh anyway;
But while you join force with us to go, their hopes live
For others then is just the reason you live.

OUR VISION: To reach out with the gospel to the world in need of light and salvation.

OUR MISSION:

Raising, training and sending selfless missionaries for the quick rescue of men in dare need of salvation everywhere they are, by all means and at any cost.

OUR OBJECTIVES:

Reaching the unsaved through enthusiastic missionary activities, with the holistic approach prescribed by the Master himself in Matt 28:19-20 “Go ye therefore, and teach all nations, baptizing them in the name of the

Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you....” Moreover, to develop a virile and stable training base for missions and missionary activities within and outside Nigeria.

OUR PERSONALS:

A group of active and purposeful men and women with insistent enthusiasm for soul winning both on the field as missionaries and in other offices and departments.

OUR FINANCES:

REM International gets her finances for the task through the donations and gifts of friends and partners (men and women) whose hearts the Lord stir for His work from time to time.

OUR ACTIVITIES:

We adopt a comprehensive approach to missions given the variety and categories of our targets. Our activities could be thus summarized; Medical missions, Education/Social Advocacy, Discipleship, Mass evangelism, Rural empowerment and development, Mission field survey and Cross-cultural mission training.

OUR MESSAGE: this is straight forward; that all men have sinned and are destitute of God’s glory; that man is perpetually under God’s wrath; that he has no ability whatsoever to be free from this wrath hanging over him; that Jesus undertook to pay the entire price for man’s sins and take his place in death; and that he would be saved and declared acquitted if he believes in the love and sacrifice of Jesus, and accepts him into his life.

OUR TARGET AUDIENCE:

The fainting multitude who have not tasted the power of the gospel; the unreached and unsaved persons who have no hope of eternal life; men, women and children whose souls are in desperate need of reconciliation with God.

OUR PARTNERS: these are committed individuals who have embraced the work of missions through various supports to REM International. These supports come in different forms such as prayers, finance, awareness and support mobilization, and spiritual/professional counsel.

OUR ASSOCIATES:

These are men and women who like Aaron and Hur, hold up the prophet's hand. These people work with REM International both in prayers, counsel, encouragement, and all other forms of background supports.
